Wifii Battery Camera

S1

Onecam tuya

WiFi 3MP/2K

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※2*18650 / 21700 lithium batteries optional

S3

Onecam tuya

WiFi 3MP/2K

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※2*18650 lithium batteries

S5

Onecam tuya

WiFi 4G 3MP/2K

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※2*18650 / 21700 lithium batteries optional

S8

Onecam tuya

WiFi 3MP/2K

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※1000mAh lithium batteries

Solar Wifi Camera

Onecam

WiFi 3MP IP65

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※2*18650 / 21700 lithium batteries optional
※3.3W Rechargeable Solar Panel

Onecam

WiFi 3MP IP65

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※2*18650 lithium batteries
※3.3W Rechargeable Solar Panel

Onecam

WiFi 3MP IP66

※100% Wire-Free, WiFi mobile phone remote monitoring
※Fast wake-up Technology
※PIR human body detection, AI humanoid algorithm
※Super power saving technology to realize super long standby
※Support 128GB TF card video recording and cloud storage
※3*18650 lithium batteries
※3.3W Rechargeable Solar Panel

Icsee WiFi 4G 3MP IP66

Solar PTZ Camera

※Horizontal 350 ° Vertical 90°

※100% Wire-Free, WiFi mobile phone remote monitoring

※PIR human body detection, AI humanoid algorithm

※Super power saving technology to realize super long standby

※Support 128GB TF card video recording and cloud storage

※6*18650 lithium batteries

※7.5W Rechargeable Solar Panel

Onecam WiFi 3MP IP66

Solar PTZ Camera

※Horizontal 350 ° Vertical 90°

※100% Wire-Free, WiFi mobile phone remote monitoring

※Fast wake-up Technology

※PIR human body detection, AI humanoid algorithm

※Super power saving technology to realize super long standby

※Support 128GB TF card video recording and cloud storage

※6*18650 lithium batteries

※8W Rechargeable Solar Panel

Dual Lens PTZ Camera

O-Kam Pro WiFi 4G 6MP IP66

※Dual-screen preview, High Resolution up to 3MP/4MP/6MP/8MP

※Support infrared/full color/alert full color image

※Pan/tilt, horizontal 352°, vertical rotation 90°

※IP66 Waterproof

※Support two-way voice, sound and light alarm

※Support up to 128GB Micro TF card/Cloud Storage

※Android/IOS Mobile Surveillance

※AI auto tracking

Icsee WiFi 6MP IP66

※Dual-screen preview, High Resolution up to 3MP/4MP/6MP/8MP

※Support infrared/full color/alert full color image

※Pan/tilt, horizontal 352°, vertical rotation 90°

※IP66 Waterproof

※Support two-way voice, sound and light alarm

※Support up to 128GB Micro TF card/Cloud Storage

※Android/IOS Mobile Surveillance

※AI auto tracking

Smart AI Camera

C31

Im cam WiFi 2MP

Two-way Video Calling Camera

※2.8-inch HD display and two-way video calling for intimate interaction and better communication

※360-degree PTZ monitoring, provides all-round monitoring for peace of mind.

※Support two-way audio/video calling

※Humanoid detection and cry detection algorithms.

※Ideal for family families with elderly or young children

※Convenient and reliable family communication

WT2

WiFi 2MP/3MP/5MP

2MP/3MP/5MP Wifi PT Tuya Dome Camera

※PT(Pan:355° / Tilt:110°)

※Real time Message Push

※Wi-Fi/802.11/b/g/n

※Andriod/IOS Mobile Surveillance

※Motion detection,Supports auto human body tracking

※Support 128G TF Card

※AI Auto Tracking

※2-Way Audio

W11

Icsee O-Kam Pro WiFi 3MP

Dual Lens Floodlight Wifi Camera

※2MP+2MP/3MP+3MP/4MP+4MP High Resolution

※IR distance 10M. Lens 3.6 mm + Lens 3.6 mm

※Two-way audio, Remote Pan/Tilt rotate, Indoor

※Wi-Fi/802.11/b/g/n .

※Motion detection,Supports auto human body tracking

※Andriod/IOS Mobile Surveillance

※Pan:355°, Tilt: 90°

※Support max 128G TF Card&Cloud Storage

WiFi DIY Kit

Icsee WiFi 2MP/3MP/5MP IP66

2MP/3MP/5MP WIFI PTZ Dome NVR KIT

※The kit supports human detection and face detection;

※The camera is equipped with infrared LED and white light LED, 20M IR disance/10M Colorful Nightvision

※Microphone of the camera supports sound pickup function;

※MIni NVR built-in Micro SD card(Upto 128G) slot and SATA port（4TB HDD Optional)

※Ultra-wide wifi coverage, reach upto 50 meters

※Plug and play Convenient Configuration;

※Supports HDMI output to the display;

tuya WiFi 2MP/3MP/5MP IP66

4CH/8CH 2MP/3MP/5MP WIFI IP NVR KIT

※3.6mm lens infrared distance 20m

※No wiring, plug and play, connection and drawing

※Wireless connection, automatic cascade, packetswitching

※Mobile remote accessH265 + coding, intelligent code stream

※High picture quality and lower bitstream

※Tuya Smart intelligent platform, stable and reliable

Clock Camera

tuya WiFi 2MP/3MP

2MP/3MP One-Click Call Clock Camera

※2MP/3MP High Resolution

※Built in 2 1.0W 940nm infrared LED, night vision distance 10m

※Built in 2600 Ma lithium battery

※App supports battery level indication

※Automatically obtain network time

※Clock function: 12-hour system / 24-hour system / alarm function / screen off function

tuya WiFi 2MP/3MP

2MP/3MP WiFi Clock Camera

※2MP/3MP High Resolution

※Built in 2 1.0W 940nm infrared LED, night vision distance 10m

※Built in 2600 Ma lithium battery

※App supports battery level indication

※Clock screen 3.5 inches

※Automatically obtain network time

※Clock function: 12-hour system / 24-hour system / alarm function / screen off function
